

The background is a solid blue color with a pattern of overlapping circles of varying sizes. In the lower-left quadrant, there is a photograph of the Titanic Belfast shipyard building, which has a distinctive, angular, metallic facade. The building is situated near a body of water. The overall design is modern and clean.

We've changed our name!

A new chapter has begun for Titanic Foundation, as we broaden our remit and become the Maritime Belfast Trust. Established to preserve Belfast's maritime heritage, the charity owns a number of assets, including the iconic Titanic Belfast visitor attraction, SS Nomadic and the Great Light. Whilst our commitment and responsibility for these iconic maritime assets remain unchanged, we will build on the importance of Belfast's maritime heritage for the city and its people.

OUR AIM

To deliver Belfast's waterfront as a vibrant, accessible heritage destination.

OUR MISSION

We preserve and promote Belfast's rich maritime heritage for the enjoyment of current and future generations and in doing so contribute to sustainable social and economic development.

OUR THEMES

Influence

Influencing the vision for Belfast's iconic waterfront by supporting critical partners such as Belfast Harbour, Belfast City Council and Titanic Quarter Limited to fulfill a collective and shared ambition.

Connect

Connecting everyone to the maritime beginnings of the city, specifically neighbourhood communities.

Energise

Energising the waterfront through arts, music, festivals and events.

Enrich

Enriching the existing heritage – preserving the scheduled monuments, the remnants of the historic shipyards, capturing local Maritime Belfast stories, past and present.

Thrive

Thriving as a charity and a sustainable cultural destination – helping local businesses, visitor attractions and venues to build back better in a post-Covid environment.

OUR VALUES

Care

Caring about people, heritage and the environment.

Collaborate

An honest broker, working with all the actors and players, big and small.

Confident

Positive and optimistic about the future, willing to take risks.

Creative

Innovative and pioneering, open to new ideas.

OUR ACHIEVEMENTS

Titanic Belfast

Completed in 2012, the iconic visitor attraction has welcomed over 6 million visitors from 145 countries, and contributed £319million to the local economy.

SS Nomadic

The largest RMS Titanic artefact in the world, the SS Nomadic has attracted more than 1 million visitors since restoration work was completed in 2013.

Local Engagement

Through our destination work, we've engaged with over 470,000 people from 364 community groups and schools, and supported and worked with 132 partner organisations and businesses.

We've also built up a collection of hundreds of artefacts donated by former shipyard employees and the local community that is displayed in a free Out of Stores exhibition.

H&W Drawing Offices

Now restored and transformed into Titanic Hotel Belfast, the stunning drawing offices showcase Harland & Wolff's skill and craftsmanship.

Great Light

One of the largest lighthouse optics ever constructed, the Great Light is over 130 years old and now illuminates the Titanic Walkway.

UPCOMING PROJECTS

Maritime Mile

Key to Maritime Belfast Trust's vision is the delivery of the Maritime Mile. An exciting Blueway for the city, representing one navigational mile of water and 10 kilometres of accessible, connected waterfront.

Connecting Sailortown to Titanic Quarter, City Centre to Harbour, neighbourhoods to waterfront, the Maritime Mile is a place where local people and visitors can walk, cycle, run and play in the footsteps of giants as they explore Belfast's historic, iconic waterfront, an outdoor museum of Titanic proportions.
